

GOLF NOTES – MAY 2021

Welcome back to the Cuballing Golf Club for 2021! We have had a great start to the season with perfect weather making for some great golfing conditions and great conditions for the course to thrive, with the application of Lure and Fertiliser, the coverage has come through thick and fast.

We started the season on April 17th with our Opening Day. 32 people hit the course for the 13 Hole 3 Person Ambrose day. After the spinning of the wheel was all said and done team BNB, Bolts, Nigel & Bree won the day. Runners up where Team Shire consisting of Morty, Rob & Ash and the best players last team award went to team DAG with Denty, Angie & Garry. As always, it's a great event to kick off the season with, nothing too serious and a bit of fun.

On the 8th of May we played the Narrogin Pumps, Solar & Spraying Par Round. Good numbers turned up once again with 22 people hitting the course. The Nett Winner was Nigel Parks with +2. Runner Up was Chris Bolton on an even square followed by Graeme Dent in third with -1. Gross winner was Anthony Mort. As always a big thankyou to Rob and the team at Narrogin Pumps for their continued sponsorship of this day.

Next month we are hosting the Great Southern 4BBB Par Championships on the 12th of June. The committee has been working hard in the lead up to the event to organise and co-ordinate everything. If want to play in the championships the nomination form and flyer is on our website.

We have also had interest in a 9 Hole competition on a Saturday which we have now implemented started. If your keen to have a hit but done want to play the full 18 this is a great way to start with golf. For more information on this please contact our Captain Lindsay George on 0437 797 557 or email: narrogin@sportspower.com.au

Overall, the club is in great shape now, and we have had good consistent number all year averaging 20 per weekend, and we now have over 40 members. This has shown to be the case and we have been lucky enough to be awarded Best Community & Sport Group in the Triple M Best of the Great Southern awards! It was best summarised by Scott Ballantyne who shared where the club was at just a few years ago.

"Form the days where a field was 4, and even less when we travelled. Mort, Bevan W, Terry C, Harey, Howie, kept it going when the going was tough building a great club, Well done all" – **Scott Ballantyne, Facebook**

Thanks to everyone who voted for us, it's a great acknowledgement to receive.

That's it for this edition of the Golf Notes, stay tuned for another Jam-Packed edition next month.
