

GOLF NOTES - JULY 2022

We continue the fantastic golf season in the Upper Great Southern, attending championship events and open weekends. Again the members of the Cuballing Golf Club continue to travel to support our association clubs, regularly being one of the clubs most well represented.

The first major event of July was the Great Southern Championships held over two days at the Wandering Golf Club. Joint Overnight leader Scott Ballantyne didn't have such a great day two compared to day one finishing well out of the running. The 2022 Champion was Ryan Flugee from Katanning with a total score of 154. Our best placed player for the weekend was Kel Old who finished third overall in the Nett Event with a score of 148.

The 9th of July was our weekend at home for the month where we played our Third Qualifying Round Sponsored By Ike's Glass. The forecast of rain whittled the field down to a relatively small number of 15, but the weather held out for the most part and those who played were rewarded with some fairly decent scores. With a familiar

name rising to the top of the score sheet yet again, it came as a surprise to few the Kade Maley won the day with a 83 Gross 70 Net. Runner up was Cooper George with a 94 Gross 73 Net. Best Gross score on a count back was Scott Ballantyne from Rob Harris with an 82 off the stick. Novelties were shared around with a different name on each pin.

The 15th – 17th saw the Narrogin Cup weekend roll around with Cuballing taking on the challenge and the cream rising near to the top. The Friday was the 4BBB and saw Dan Hawes & Simon Howe come in Runners Up with 46 points. Our next closest pairing was Brenie Maley & Anthony Howe with 43 Points in 9th Place. (Good Work Bernie) If you're a really keen golfer you might have a crack at the two days of stroke. A big congratulations to Kade Maley who had a cracking weekend and came home with 3rd Net of 142. Scott Ballantyne was our best in the Gross finishing 7th overall with 163 off the bat.

Darkan held their Open Weekend on the 23rd & 24th. Conditions for Saturday were trying to say the least, and four of our intrepid members braved them. One of our pairings found the conditions a little too tough and ended the days as 'next years' winners'. (Well Done Howie & Dan) Sunday was a little better, and Rob Harris was pipped for the main prize on a countback, great work Rob, keep up the good form.

Saturday 30th saw some members head to Williams, and others to Wickepin. 'Next year's winners' at Darkan last week were the top dogs at Williams on Saturday, congratulations Anthony Howe and Dan Hawes with the winning score of 46 Points. At Wickepin it was a terrific day on the course with Cuballing having a cracking run. Scott Ballantyne came in winner of the Simpson Cup on 36 Points. Scott was also in the winning team with Bevan George and had the combined portion of the day all stitched up on 69 Points. Wayne McLeish was runner up in the Simpson Cup and was runner up in the combined with partner Lindsay George. We also picked up a good haul of Novelties.

Sunday 31st and we were back at Williams. It seems that all the good golf was played on the Saturday, with no silverware coming home to Cuby from that event. Thanks to our guys for getting along and supporting the day.

That rounds out the month but there is still plenty of golf to be played at Open Days around the Association. Wandering 6th & 7th, Boddington 13th, Cuballing 20th & 21st, Pingelly & Yealering 27th. All that being said it will be self-organised sweepstakes for those who aren't travelling.
