

GOLF NOTES – SEPTEMBER 2021

Another month has been and gone and that means it's time for a look back at all the goings on at the Cuballing Golf Club for the month of September.

We kicked off the month with our 5th and Final Qualifying Round sponsored by Matthew Birrell and the team at Country Paint Supplies. 24 of Cuballing's finest golfers turned out in a last-ditch effort to try and improve their qualifying position ahead of the Championships. For some however, it was just a case of get a score on the board to even be eligible to play Championships... Morty! Our Nett Winner was Bevan George with an 84-76 Nett. Runner Up on a count back was Rob Harris with an 85-77 Nett and 3rd

was our Captain Lindsay George with 87-77 Nett. We also had a good mix of novelties across the course to keep those who weren't having a great day on their toes with the chance to win a golf ball sucking us all in. Special mention to Mike Clark who sunk both Longest Putts on the day.

On the 9th we hosted the annual FFF Golf Day, and you couldn't have asked for better... no sorry, WORSE weather for golf. The rain was persistent throughout the day and at times I'm sure I saw someone in a motorboat. Never the less, 68 players from all around turned up for 18 holes of punishment. Everyone from Ag Reps to Ex Footy Stars, Farmers to Apparel Reps & Ex Pollies to Cuby Golfers made up the field. Despite the rain everyone had a great day. Well Done to Howie & Woz for winning the day after a lucky spin on the wheel meant they had the best Nett score.

September also saw the return of our Mixed Championships for the first time since 2010! It's great to see this event up and running again and hopefully it won't be going anywhere anytime soon. Congratulations to this year's Champions Bevan & Jodie George who took out the title with 104 off the stick. We also held the usual Stableford on this day for those of us who didn't have a partner for the mixed, it was also the last chance for us to iron our any issues in our game ahead of the Club Championships the following weekend. Congrats to Stu Budd who was the winner with 32 points.

That one day in September Finally rolled around... no, I'm not talking about the AFL Grand Final, I'm taking about Cuballing Golf Club, Club Championships. This was our biggest field in years with Grades being filled right through from A to G. In the A Grade Rob Harris took on Bevan George and came out victorious being 2/1. Congratulations Rob. In B Grade, Wayne McLeish and Anthony Mort went toe to toe with Wayne coming out victorious 4/3. C Grade saw Kel Old take on Anthony Howe. Somehow Kel was able to tune Howie's dribble out and come home victorious 4/3. In D Grade, Kade Maley and Graeme Dent fought for the title with Kade coming out on top 4/3. In the battle for E Grade Glory Dan Christensen and David Shanks took it all the way to the 19th with DC being the victor. F Grade... well, after Bevan Watson being a No Show in the morning (email issues 😞) Simon Howe and Mark Dartnell cruised around quietly with Simon getting the choccies 3/2. Finally, G Grade saw Ash Wilkins and Logan Hayes do it the hard way and go all the way to the 19th with Logan coming out victorious in front of the peanut gallery that was following.

Finally, this season saw a return to the Grand Final Ambrose day, we had a good field turn out to play 18 Holes of hit the best shot, which saw Bevan & Jodie George come home victorious. Following, we all gathered in the club house to watch the History making event... an AFL Grand Final being playing in WA.
